

## VISION

Inspire a community of responsible and empowered life long learners, with a global perspective.

## MISSION

CHIS provides a dynamic and inclusive education in a supportive and stimulating environment where students have the opportunity to fulfill their academic and creative potential.

# CHIS Values

Acronym: CLEW

## COMMUNITY

We celebrate the spirit of belonging and sense of community for the children, teachers, families, alumni and partners, respecting and celebrating our diversity.

## LEARNING

We believe every child can learn.

At CHIS we believe in creating an environment of active learning for everyone associated with the school.

## EXCELLENCE

Applying the skills of collaboration, communication, creative thinking, critical thinking to achieve excellence in all we do.

## WELL-BEING

We value the well being of our children, staff, families and partners as we provide care and support in a safe and nurturing environment.
